INSPECTOR GENERAL

IG 75-4276

December 17, 1975

Lt. Gen. Vernon Walters
Deputy Director
Central Intelligence Agency
Langley Headquarters

Dear Vernon:

Thank you for accepting my invitation to join us for lunch on Friday, January 9, 12:30 p.m., in the Van Buren Dining Room No. 2, 8th Floor, Department of State.

As we discussed, this will provide an opportunity for the Senior Inspectors to meet with you and exchange views on the inspection process as it pertains to CIA. As you know, the inspectors are charged with assessing the effectiveness of the total US programs in a given country and particularly the relationships of special programs participating in implementation of US foreign policy. It would be especially helpful to have your thoughts on how this responsibility can be best carried out.

Enclosed is a list of inspections which are planned for the coming year, along with a list of the names of participants at the luncheon.

I look forward to seeing you again.

Sincerely,

A handwritten signature in dark ink, appearing to read "Bob", written over the typed name.

Robert M. Sayre
Inspector General
